

The Little Rock (AR) Chapter of The Links, Inc has awarded scholarships to talented high school senior girls from Little Rock local high schools. These scholarship dollars have afforded countless number of local girls to pursue their dreams of obtaining a college degree and career in their chosen fields. It has been a tremendous honor to contribute to the development of these young ladies as they become leaders in our communities. Many of whom are already serving in leadership capacity in their communities across the country. Education leads to improved earning power for these young women and improving economic impact for our communities.
